

Villa Raiano

Costa Baiano

Costa Baiano by Villa Raiano is a fresh and expressive red wine that captures the identity of Irpinia's hills. It reveals notes of citrus, green apple, and delicate floral nuances, with a subtle mineral touch. On the palate, it is lively and balanced, with bright acidity and a clean, refreshing finish.

Flavor profile

Structured and savory, with aromas of blueberry, blackcurrant, licorice, balsamic spice, and pepper. The palate is fresh and assertive, driven by firm varietal tannins and a distinctly mineral, food-friendly profile.

Food pairing

Excellent with grilled meats, slow-cooked ragù, braised beef, game dishes, or aged hard cheeses.

Tasting notes

Drawn from a single amphitheater vineyard in Castelfranci, Costa Baiano expresses a more vivid and immediate face of Aglianico, combining volcanic freshness, firm structure, and the earthy spice that defines inland Campania reds.
