

Valdinera

Goy Nebbiolo

Goy Nebbiolo by Valdinera is an elegant and refined expression of Nebbiolo, highlighting its floral and structured character. Aromas of rose petals, red berries, and light spice lead to a balanced palate, with fine tannins, vibrant acidity, and a long, graceful finish.

Flavor profile

Deep ruby-red in color, this wine reveals an expressive and beautifully lifted aromatic profile, where wild berries and fresh rose petals intertwine with a delicate touch of sweet clove. Elegant structure and aromatic clarity set the tone from the very first impression.

Food pairing

An excellent match for hearty, richly flavored dishes, this wine pairs beautifully with braised beef, roasted game, earthy porcini mushroom risotto, and aged cow's or goat cheeses, where its structure and savory depth are brought fully into focus.

Tasting notes

On the palate, it is bright, savory, and impeccably balanced, with vibrant acidity and refined, silky tannins that lead to a warm, harmonious finish. Flavors of crushed strawberry, black raspberry, and red currant unfold gracefully, supported by subtle nuances of star anise, sweet oak, and earthy forest floor.

Winemaking

Spontaneous fermentation without temperature control. Unfiltered and unclarified
