Saambero

K'deda

K'deda by Saambero is an authentic and characterful wine, deeply rooted in Georgian heritage. It opens with complex notes of dried fruit, spice, and subtle oxidative nuances, typical of traditional methods. The palate is rich and layered, with a textured mouthfeel and a persistent, evolving finish that highlights its artisanal nature.

Flavor profile

Expressive aromas of caramelized orchard fruit, meadow flowers, and crisp green apple rise from the glass. Full-bodied and textured on the palate, this amber wine shows a bold structure with pronounced tannins, balanced acidity, and a distinctive spicy character. The qvevri ageing contributes depth, earthy complexity, and a long, intriguing finish.

Food pairing

Best paired with bold, aromatic dishes such as spiced lamb, grilled meats, roasted vegetables, mature cheeses, and richly seasoned Middle Eastern or Caucasian cuisine. Its tannic structure and savory depth also make it compelling as a contemplative wine on its own.

Tasting notes

A striking sparkling amber wine with an ancient Georgian soul. The nose opens with notes of caramelized fruit, wildflowers, and fresh green apple. The palate is full, textured, and powerfully structured, with firm tannins balanced by vibrant acidity and subtle spice. Crafted in traditional buried qvevri, this wine offers earthy complexity, remarkable character, and a persistent, memorable finish.
