De Stefani

Kreda

Kreda by De Stefani is a refined and complex wine, expressing depth and elegance. Aromas of ripe fruit, spice, and light balsamic nuances emerge on the nose. The palate is structured and harmonious, with well-integrated tannins and a long, evolving finish.

15.5

Bottle size (ml)
750

Soil
Alluvial, white clay, and minerals from the Dolomite mountains

Vineyard
Single vineyard, Planted 1986

Harvest
Mid- Sept

Flavor profile

The wine has a deep ruby color and intense aromas of ripe fruit, prunes, and violets. It is elegant, full-bodied, and has a complex structure with velvety tannins and a wide range of tertiary aromas.

Food paring

Pairs well with risotto, roasted meat, and lamb chops. Serve at 60-64°F.

Tasting notes

Kreda is a local dialect word and means clay. These Refosco vines grow in clay soil which in turn laces this wine with minerality & a tart acidity. It is full bodied and well structured. It maintains a complex bouquet with intense scents of ripe black fruits and a wide spectrum of tertiary aromas, such as dried fruits and chocolate. It exhibits a wonderful length with layers of velvety tannins.

Winemaking

Long maceration and fermentation at controlled temperature with frequent pumping over. Raked into stainless steel vats, where alcoholic fermentation ends. Aging refines for 24 months in barrique.

Aging potential

Up to 10 years
