Bottle size (ml)

750

Soil

Alluvial, white clay, and minerals from the Dolomite mountains

Vineyard

Single vineyard, Planted 1986

Harvest

Mid- Sept

De Stefani

Kreda

Kreda by De Stefani is a refined and complex wine, expressing depth and elegance. Aromas of ripe fruit, spice, and light balsamic nuances emerge on the nose. The palate is structured and harmonious, with well-integrated tannins and a long, evolving finish.

Flavor profile

Deep ruby color. On the nose, dried and mature black fruit aromas complemented by oaky and vanilla notes. Tannins: Very mild, easy-drinking wine Sweetness: Hint due to the ripe fruit flavors. Finish: The natural bitterness is balanced by the ripe fruit and oak. On the palate, the naturally high acidity is balanced by the ripeness of the fruit and the long aging in oak.

Food pairing

Pairs with rich dishes such as cured meats, game, or roasts. Note that the tannins soften as service temp increases.

Tasting notes

Deep ruby color. Intense aromas of ripe fruit, such as prunes with hints of violet. Full-bodied with a wide spectrum of tertiary aromas.

Winemaking

Long maceration and fermentation at controlled temperature with frequent pumping over. Raked into stainless steel vats, where alcoholic fermentation ends. Aging refines for 24 months in barrique.

Aging potential

Up to 10 years
