

Petro Vaselo

PV Orange

PV Orange by Petro Vaselo is an intriguing skin-contact wine, expressing texture and aromatic depth. It opens with notes of dried fruit, citrus peel, and light tannic nuances. The palate is structured and vibrant, with a distinctive character and a long, complex finish.

Flavor profile

Aromas of apricot, white flowers and candied citrus which are confirmed in taste and smell. A full-bodied wine that has an enveloping structure, a balanced acidity and an incredible aftertaste persistence.

Food pairing

Pair with stewed meats like chuck roast on polenta.

Tasting notes

Made from a small cru of Italian Riesling, it offers a great range of flavors, due to the maceration on the skins. Aromas of apricot, white flowers and candied citrus which are confirmed in taste and smell. A full-bodied wine that has an enveloping structure, a balanced acidity and an incredible aftertaste persistence.

Winemaking

Hand-picked grapes. Manual selection. Maceration in contact with the skins in small stainless steel tank for 60 days. After racking, the wine is refined on the fine wooden lees, with frequent batonnage. No additional sulphites added.
