De Stefani

Raboso Magnum

Raboso by De Stefani enhances the wine's character through slow maturation in large format. It reveals layered aromas of red fruit and spice, with a structured and balanced palate, leading to a long, refined finish.

Flavor profile

The nose is intense and expressive, revealing layered aromas of dark and red fruits, blackberry, raspberry, and marasca cherry, elegantly lifted by delicate floral nuances.

Food paring

Its bright acidity and firm tannins make it an excellent partner for rich, intensely flavored dishes, pairing beautifully with traditional Venetian cuisine, grilled red meats, game, sausages, and aged cheeses.

Tasting notes

Powerful, structured, and complex on the palate, this wine shows vibrant energy in its youth, with firm tannins and lively freshness that gradually evolve into a richer, more harmonious expression. The finish is long and persistent, marked by deep tertiary notes of cocoa, tobacco, and subtle spice.
