## Moser

# Riesling Renano

*Maso Warth Riesling Renano 2022 by Moser Trento expresses clarity and precision, with vibrant aromas of lime, white peach, and delicate mineral undertones. The palate is tense and focused, supported by a marked acidity that leads to a long, refined and persistent finish.*

### Flavor profile

The wine displays a straw-yellow color with subtle green highlights, and its aroma is filled with fruity and floral notes. This grape is renowned for its balance of acidity, sweetness, and alcohol content.

### Food pairing

Pair with seafood dishes like scallops or shrimp with buerre blanc sauce or a cold Asian noodle salad. Serve it well chilled in a standard white wine glass. Can be enjoyed now or aged for a few years.

### Tasting notes

Riesling Renano, originally from the Moselle river valley (Germany), it is renowned for a balance between acidity and sweetness. Fresh and decisive in taste yet pleasantly dry, this is a true representative of an authentic alpine wine. It is lucent straw yellow in color with a medium body and a smooth palate. It is shaped by aromas of fresh floral and fruity notes, such as lime, green apple, and beeswax. Subtle hints of petroleum and vinyl reflect throughout the wine; a natural characteristic for Riesling.

### Winemaking

Hand-harvested with careful selection of the best bunches in the vineyard, fermentation in stainless steel tanks followed by aging on its fine lees for 6 months in 25 hL oak casks to enhance the typical freshness and fragrance of grapes grown in Trentino.
