

SRC

Rosato

Rosato by SRC is a fresh and elegant rosé that captures the brightness of Etna's terroir. It reveals delicate aromas of wild strawberry, pomegranate, and floral hints, with a subtle mineral touch. The palate is lively and balanced, with crisp acidity and a clean, refreshing finish.

Flavor profile

Bright and vivid in the glass, this rosé reveals a vibrant pink hue with beautiful consistency. The nose is intense and mineral-driven, unfolding aromas of wild strawberries, blueberries, raspberries, and cherries, gently lifted by delicate floral nuances.

Food pairing

An ideal pairing for guinea fowl galantine served with mushrooms and rosemary-glazed carrots, where the wine's savory freshness beautifully complements the dish's earthy and aromatic character.

Tasting notes

On the palate, it is soft, fresh, and fruit-forward, supported by subtle tannins that add texture and balance. The finish is long and expressive, leaving a lively and memorable impression.

Winemaking

In Stainless steel triggered spontaneously by indigenous yeast, 100% Malolactic fermentation
