

Petro Vaselo

Rosé

Rosé by Petro Vaselo is a fresh and approachable wine, characterized by notes of red berries and delicate floral hints. The palate is lively and smooth, with a refreshing acidity and a clean, easy-drinking finish.

Flavor profile

The wine has a bright yellow color and has aromas of candied fruit, jasmine, and thyme. The palate of the wine is wide and expressive, and has good finesse and refreshing minerality.

Food pairing

Serve at 57°F, pair with seafood dishes such as smoked trout fishcakes.

Tasting notes

Malentine is a wine that comes from a single vineyard that is less than one hectare in size. It is the most limestone-rich plot of the winery. The wine has a bright yellow color and has aromas of candied fruit, jasmine, and thyme. The palate of the wine is wide and expressive, and has good finesse and refreshing minerality. It offers a complex and exuberant taste, with a mix of mineral and buttery flavors.
