

Saambero

St. George

St. George by Saambero is a distinctive and soulful wine that reflects the ancient winemaking traditions of Georgia. Crafted with a minimal intervention approach, it reveals intense aromas of ripe red fruit, wild herbs, and earthy undertones. On the palate, it is vibrant and textured, with a natural structure and a long, expressive finish that speaks of its origin.

End of October

Flavor profile

The nose is bold and expressive, revealing ripe red berries, blackcurrant, and subtle hints of licorice, with an aromatic depth that reflects the character of the Saperavi grape.

Food pairing

A superb match for grilled and roasted meats, rich hearty stews, and aged savory cheeses such as Pecorino or Parmesan, where its structure and depth find perfect balance.

Tasting notes

Rich and full-bodied on the palate, this wine delivers structured tannins, vibrant fruit concentration, and a distinctive black pepper finish that adds energy and complexity.

Winemaking

Drying some of the grapes, destemming and crushing of the grapes, maceration at controlled temperature, with frequent pumping over. Fermentation at controlled temperature in stainless steel vats.
