Frascole Vinsanto

Vinsanto 2005 by Frascole is a meditation wine, rich in history and tradition. Obtained from carefully dried grapes and aged for years, it reveals intense aromas of dried fruit, honey, nuts, and caramel. The palate is luscious yet balanced by a vibrant acidity, leading to a long, enveloping finish. A timeless expression of Tuscan dessert winemaking.

Flavor profile

Brilliant amber color due to its age of 18 years (9 in small barrels). Starting with a sensation of citrus and hints of honey, dates and dried fruit.

Food pairing

Excellent with cantuccini, the typical biscuits for dipping, but sublime with blue cheeses and parmesan.

Tasting notes

The palate is full-bodied and complex with a long finish. You haven't lived until you have tried dipping Italian almond biscotti in it. Delizioso!

Winemaking

Fermentation with select yeast in stainless steel and concrete
